We are delighted to announce that some 113 artists from 5 states submitted over 290 pieces and only 99 works were selected to comprise the Show making this a show not to be missed! AOY is awarding cash prizes of \$1,000, \$500 and \$250. Jerry's Artarama of Lawrenceville will also provide prizes for the Honorable Mention categories.

AOY is pleased to have one of Bucks County's renowned artists, Jennifer Hansen Rolli, as the Juror for 2020. Ms. Rolli is a frequent illustrator for the cover of Bucks County Magazine, a children's author and artist.

This year's show was to have been held in April. However, everything came to a stop with the onset of Covid-19. Thus, like many art organizations we had to reassess. Unlike many art organizations, we have decided to reschedule rather than cancel outright.

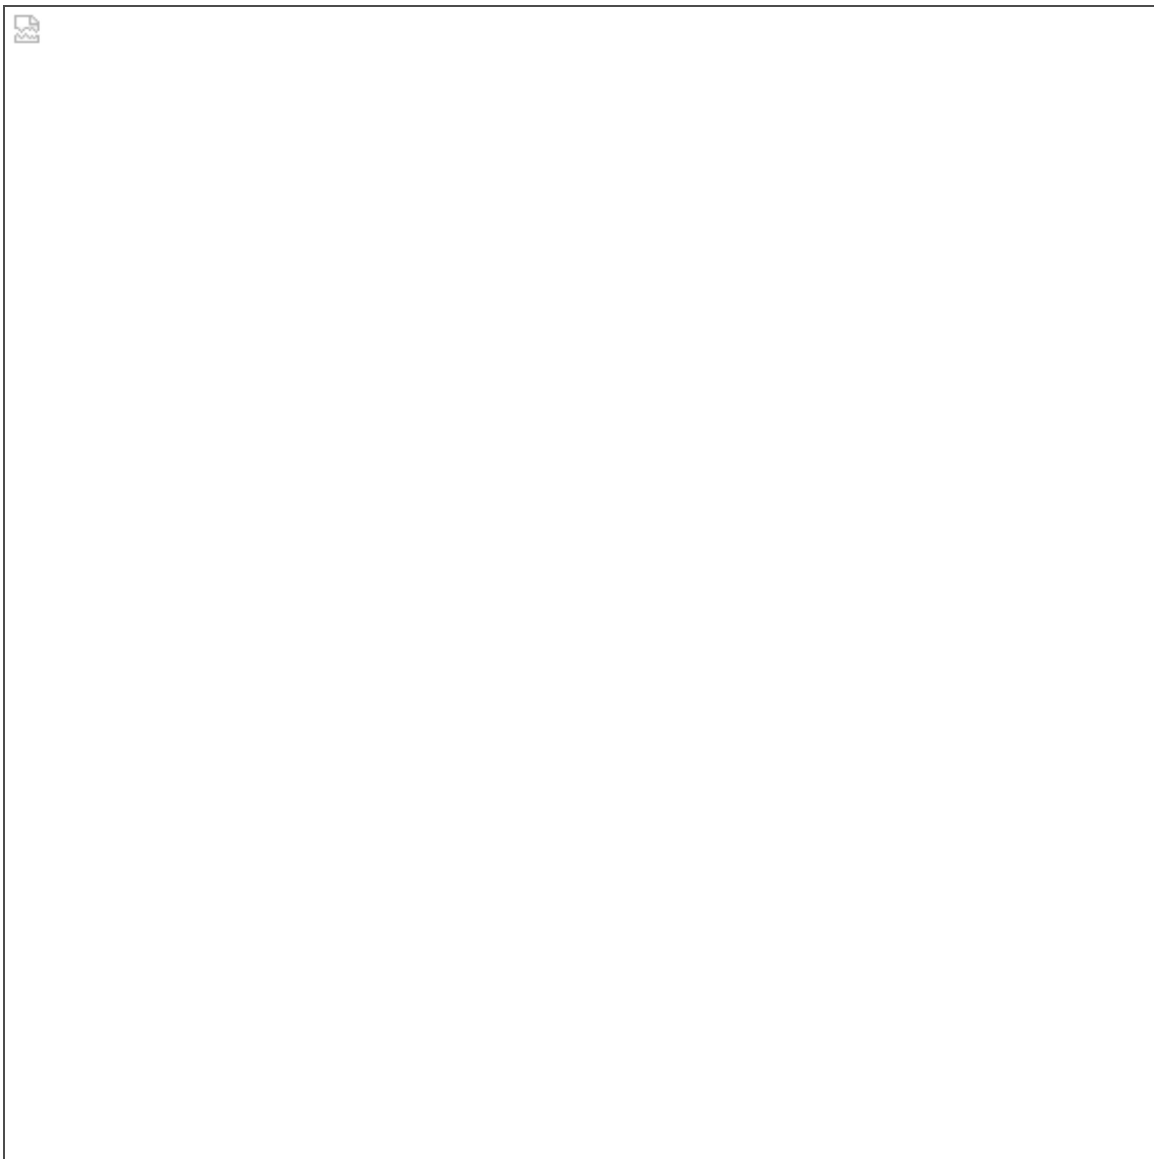

There will be in-person Gallery Time and an in-person Opening/Awards Presentation on Friday October 23 at 7PM. There will be an online gallery as well to augment the visibility, and sales of the artwork. This is what most galleries are showing on their websites and it consists of a grid of images. Click on the artist's name to see and learn more about the artwork.

At AOY, we wanted to do something unique that would truly showcase your art and provide the experience of a gallery. We are pleased to announce that you can also experience this show in an immersive 3D Virtual Gallery! We believe we are the only art organization in the area to offer such an experience in conjunction with our exhibition! The 3D gallery allows the visitor to see the art in relation to other artworks, get a sense of size and experience a gallery "walk through."

At AOY we take great care to ensure everyone's safety at the Gallery and Opening and Covid precautions will be in place within the Center's Gallery.

Please Share on your social media so we can bring this art into people's homes and hearts. Thank you.

Find us on Facebook @artistsofyardley and Instagram @artists_of_yardley

Please note that neither the 3D Virtual Gallery or the online sales gallery show the actual framing used by the artists. Only the art on display at the Center will have the actual framing. Interested online buyers can [contact the Center](#) with additional questions.
